

# TEGRIT

INNOVATION | INGENUITY | INTEGRITY

Tegrit provides superior pension solutions with a focus on quality, service and people. Our name is central to the word integrity and proclaims our commitment to operating our business with integrity as our primary core value. A Tegrit solution is surprise free because we communicate with transparency and focus on our clients' best outcomes.

## Our People

Our people are our greatest asset. They are passionate about the pension industry and understand that each system is unique. Our teams thrive on solving problems and delight in helping our clients reach new levels of productivity.

## Our Product

Meet the powerful, scalable Arrivos Pension Administration Solution. Conceived and designed by experts with decades of pension experience, the Arrivos PAS simplifies the complex by addressing the ever-changing pain points retirement systems encounter. This mature product is a single, fully integrated solution with workflows that streamline your daily work and dashboards of quality, decision-making data at your fingertips. When you choose the Arrivos PAS, you start with a proven product of substantial functionality that is built, tested by systems like yours and ready for deployment.

## Our Purpose

Our clients provide pensions to people who dedicate their careers to others - police officers, firefighters, judges and all types of civil servants. We are committed to helping our clients deliver solutions so these workers can live their best lives in retirement.

## Who We Are

- A pension software development firm dedicated wholly to retirement solutions
- We have decades of experience in actuarial science, multi-employer systems and pension administration.
- We have the pension expertise and commitment to solve your toughest problems.

Contact us today and meet our exceptional team.
